Centennial

Community Supporter,

2016-2017 School Year

Teamwork....is what it takes to have a successful band program. Our team consists of reliable students, committed parents, generous community sponsors and a dedicated Band Director. When you were in high school do you remember that one class, sport or club that you lived for? Well, our Band members have the same desire to be the best and show school pride through their Marching Halftime Show and Competitions.

The facts....We need you on our team! We need to raise a minimum of \$75,000 to provide music, equipment, travel expenses, props, competition fees, and much more. Our program boasts some of the finest high school students in Las Cruces. Most of our members carry an advanced class schedule and are very involved with community service projects. Please consider joining us in the form of a monetary or product donation. Product donations will be used in our annual Play-All-Day Fundraiser or Holiday Craft Fair.

As we all know....the funds for public school arts programs are constantly being cut. Funds received from the District are in the form of salaries and facilities. That means the students and parents must raise the additional funds required for a successful year. We want to assure you that it is not our intention to simply ask for a hand-out, but for an investment in our greatest asset ~ OUR YOUTH. We are not only preparing these students to play music. We are preparing them to become extraordinary musicians, students and citizens. We emphasize the importance of team work, problem solving and personal responsibility.

It's easy....to sponsor the Centennial High School Band. Please complete the following forms and indicate at which level you would like to partner with the CHS Hawks. It has been our experience that business leaders appreciate the opportunity to join in local activities that promote positive youth involvement.

Thank You....in advance for your support of our band program. We look forward to seeing your company's name on our website and concert programs.
