## Labor Day...

Most of us definitely look forward to a 3-day weekend. But have you ever looked forward to a Saturday WITHOUT an football game? After working so hard the last two weeks, our Band Fam will get this weekend off.

Thank you to all the parents who have taken over jobs like Concessions, Hospitality, Pit, Trucks, etc. These past two weeks were the warm-up. It's time to rest up and then dive right back in....

The good news is that the remaining football games are in the evening and the heat shouldn't be as big a factor. Gradually, the band will start performing more and more of their show and things will really come together. There's nothing

like that first time you see your student in their full band uniform. And, you wouldn't be the first parent to struggle to identify their kiddo, once they're all on the field in the same uniforms.... Most of us have taken pictures of the wrong student during a performance. :O) That's ok! Find the right parent, and you can probably trade photos!

It's not too late to start planning for the next game, though. Sign up for concessions now! Contact information is on the lastpage of every newsletter. Liz and Brandi are working so hard! Let's support them and decrease their stress by having the stands fully staffed way in advance.

Also, it's never too early to let Veronica know you are willing to drive a truck. Soon, we will need 2 trucks for every event. Her contact information is on the last page, too.

It's been an amazing start to this marching season; and we are so grateful for your ongoing support...

## 5K Update

Our first 5K event is scheduled for Saturday, September 18. However, registrations are very slow to come in. Please share the word about this event—especially to all the runners in your life.

The next meeting for the planning committee takes place tonight at 6:00 in the band room. This committee has worked hard to bring us a brand new fundraising op-

portunity, but they can't do it alone.

Please let Julie know how you can help. Her contact information is on the last page of the newsletter.

If we don't get enough participation or volunteers, we will have to consider cancelling this event.

# This and That...

1. All Band fees are due this Wednesday, September 1. We are having issues with Venmo, so please consider making payments via the "Donate" tab on our website at [www.centennialband.net](http://www.centennialband.net). If you do that, please indicate your student's name and what you're paying for in the "notes" section. You can also pay via RevTrack on Charms, but I'm getting reports that that isn't an easy process either. I am sincerely sorry for that, and I am working on it. You can always pay via cash or check in a labeled envelope dropped into the locked mailbox outside the band office. Finally, if you prefer to pay by credit card, you can call or text Jeni and I can take that
2. The show shirts have been ordered. There will be a few extras available for sale, but not very many. Thank you to everyone who pre-ordered. We expect them to be in late this week. We will then publicize plans to distribute them.
3. Marching shoes have been ordered for the students who need them. The cost is \$40. This must be paid before students receive their shoes. You can see the charge under miscellaneous charges in Charms. Questions? Please ask Lily or Jeni.
4. The online Merch Sale has concluded via Sports Accessories. They are now working on the orders. However, they have let me know that they are understaffed and unable to give a good estimate of delivery date. I will keep you posted about this, as well.

# Fundraising Updates

We have a few fundraisers going on right now and we want to share the progress with you.

1. SNAP raise has been truly unbelievable. As of 12:01 pm Monday, we have raised \$25,488! That's \$10,000 over our original goal! This has easily become our easiest and most successful fundraiser ever. Thank you to those who have participated, to every single donor and to our Coordinator Julie Gustafson! This project concludes at the end of the day today.
2. Julie is also heading up efforts for our First Annual 5K (Rock the Hawks), which will take place on September 18. Their next meeting is tonight at 6:00 pm in the Band Room.
3. Amazon Smile is ongoing and we've been receiving quarterly checks of about \$50 each. It's not much, but maybe it will pick up as Holiday shopping looms.
4. The concessions team has successfully handled 2 games already! They have generated about \$6000 over those two games! We need about 20 volunteers

per game.

5. Planning is also about to begin in earnest for our Annual Band Poster. Every student will be expected to sell one ad for \$100. Would you like to head up this project? Please let Jeni know at 575-312-7394. Details will be shared soon.
6. Also, our Annual Craft Fair is right around the corner. Julie is also heading this effort, but someone must step in to learn the ropes, as Julie's son is a senior this year. The entire Las Cruces community looks forward to this event each year. We will need lots of help but it's also tons of fun.

In addition to the fundraising, it is the job of the booster club to cheer, encourage and support our students and directors. The best way to do that is to attend the football games and performances. We can't wait to see you all!
